*A Funfilled Workout*

# Trampoline

## *A Fun-filled Workout*

**Do you know 10 mins Jumping on Trampoline is equal to 30 min of walk!!**

**It also makes brain cells active and enhanced control & coordination of bodily movements.**

**It is used in gyms for cardio workout.**

**Trampoline is good for anyone who are reluctant to begin physical activities.**

**Trampoline brings “fitness, recreation, & entertainment” to households.**
